## **Full-Time & Part-Time Vulnerable Populations Outreach Coordinators**

**Closing Date: December 1, 2020**

Monmouth County Regional Health Commission No. 1 will have an opening for Full-Time & Part-Time Vulnerable Populations Outreach Coordinators (VPOCs). Bachelor's degree preferred in public health, public administration, social work or related field as well as a N.J. Driver's License. The successful candidate for this grant-funded position will be responsible for increasing local public health capacity to investigate, trace, contain, mitigate and prevent COVID-19 through targeted outreach to vulnerable populations. VPOCs will work to ensure at-risk residents in their communities have access to support services such as housing, insurance coverage, and unemployment compensation to allow them to isolate or quarantine effectively. Subject to background check, applicant must possess excellent verbal and written communication skills and will be required to learn and utilize various types of electronic and/or manual recording and information systems used by this office. One year of full-time professional experience in program/project coordination and /or community outreach, preferably in a public health-related or social service agency. Experience and the ability to speak English/Spanish are desirable. Work week: 30-35 Hours. Salary: \$23,500- 47,950. **Start date is December 7, 2020. The Commission reserves the right to review resumes and conduct interviews as they are received.**

Qualified applicants are encouraged to apply by sending their resume to:
